MESSAGE FROM THE PRINCIPAL

A life-changing sentence

If you could pick any person—any friend, any family member, any celebrity, any pet, anyone alive or passed on—to walk through the door and be right here, who would that person be and what would that person make you feel? What would you feel if your husband was still here? Or your crush from work showed up? Or your daughter from California surprised you? Or your favorite musician walked into your coffee shop? Or your grandson came bumbling through the door? I bet you would feel a lot! Even if nothing else changed in your life, that person's presence would have the power to change you.

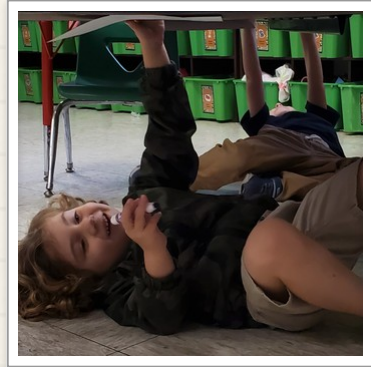

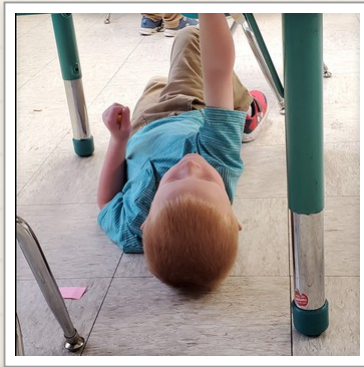

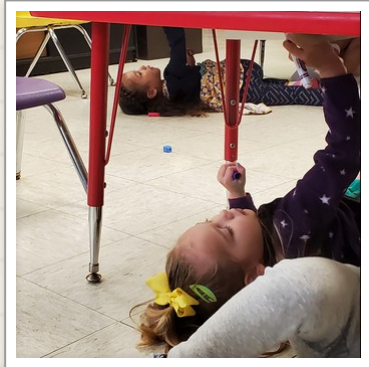

Okay, here's the big question, the question that's changing my life, the question that can change yours—Is God better than that person? Is your version, your view, of God as exciting, thrilling, and comforting as your view of that person? If I told you, "GOD is here!" what would you feel? More or less than before?

Jesus made us an amazing promise in Matthew 28:20: **"Surely I am with you always."** That promise will make you nod an emotionless "amen" unless you remember who Jesus is. More faithful than the best spouse. More creative than the best artists. More beautiful than a newborn child. More comforting than a lifelong friend. Jesus is better than them all. And, because he's full of grace and forgiveness, Jesus is with you always.

Time of Grace Ministry

Classroom Update from Ms. Lynelle and Ms. Jen

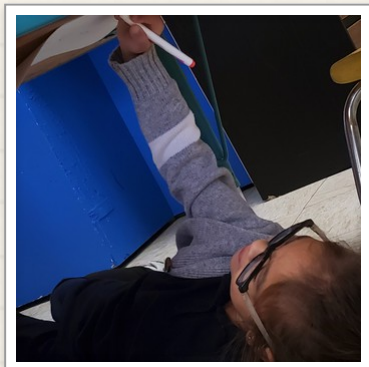

The 4K classroom has been working hard in class. We finished letter T on transportation. We had an opportunity to put together a book with our favorite transportation pictures. We learned about land, air, and water vehicles. Then our teachers wrote what our vehicle does. The students had another opportunity to see that letters make words and words make sentences.

In language arts, we are hearing and writing sounds. We are reading lots of sounds! Some of our friends are actually reading rhyming words such as cat and hat or up and cup.

During our PE class we are hopping and jumping around, in, on, over objects. Soon we will be tossing and catching bean bags.

During science, Miss Jen expands our knowledge of the world around her teaching us we are U unique, who was Uncle Sam, and which continent is Down Under.

Throughout our Jesus Time stories, we hear again and again of our Savior 's love for us. What a gift!

In the pictures, the children are looking up to draw a picture as Michelangelo did.

Basketball Clinics have started!

Reformation will have 6-week basketball clinics for the Reformation boys and girls in grades 5-8. The basketball clinics will be starting the week of April 11 and ending week of May 17. Mrs. Sarah Rodrigues will be running the clinic with the 5-8 grade girls on Thursdays from 3:30-4:30pm. She would like some help running the girls' basketball clinic so if you are interested in helping, please contact Mrs. Rodrigues at rodrigues@refsd.org or stop by her office.

The 5-8 grade boys' basketball clinics will be led by Mr. Dave Holladay and Mr. Mike Ash. The clinic times will vary each week depending on Mr. Holladay's work schedule so the times are TBD. We will get that information out to you prior to Easter vacation. If you would like to lead a basketball clinic for the students younger than 5th grade, let me know. We might be able to have basketball clinics for the younger grades as well if there are parents to lead them. If you have any questions, please contact Mr. Ash at ashm@refsd.org.
