## Correction to Grade School Singing

The **3rd through 8th-grade (not K-8)** classrooms will be joining in singing with the Basketball Tournament choir at our worship service on Sunday Feb. 6 at 10:30am. This is a great opportunity to sing and worship with students and families from other Christian schools.

Please let your teachers know if you are unable to make it.

You K-2nd graders are of course still invited to worship here at Reformation, but they have not been practicing the song that will be sung on Sunday.

## MESSAGE FROM THE PRINCIPAL:

### Thankful for What You Have

Let me ask you a question. Are you happy? No one's listening. No one's writing this down. I'm not asking you about your kids or your boss. I'm asking about you. Are you happy on a scale of 1 to 10?

I want to be clear here. I'm not asking if you *should* be happy. Theoretically, we should all be happy. We live in one of the richest nations in the world. Most of us have at least one car and a job. Many people have a house, have healthy kids, and are married to someone who loves them back.

Even if theoretically your life is pretty tough, I guarantee I can find someone who has it worse off than you. Try this: Next time you get a rash, just google "severe skin rash" and see if you aren't thankful for the rash you do have! What just happened there? In an instant, you became thankful for what you do have rather than what you don't.

Have you ever thought about what you have as a believer? Isaiah reminds us, "**Though your sins are like scarlet, they shall be as white as snow**" (Isaiah 1:18). You have something special. If you were the only one on this planet, God would have come to save you. Through Christ your sins are wiped clean. You're a child of the risen God: forgiven, accepted, and loved.

God has given you a purpose, and no one, not even the devil himself, can bring you down. That's not theory; that's the truth.

## PICTURES FROM SPIRIT WEEK

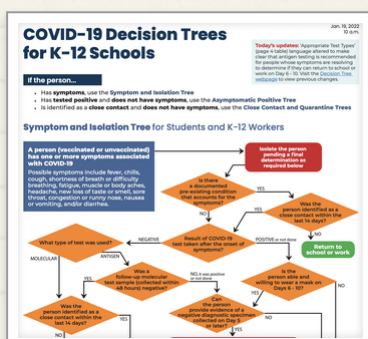

## Face Masks

Some days our stock of masks is bountiful and somedays we are very limited. Please make sure your child has a mask as they come into school each day. Thank you!

## COVID Decision Tree

Reformation is operating heavily off of the San Diego County COVID Decision Tree for K-12 schools. Since the new year, this decision tree has undergone quite a bit of change. For your reference, here is the link to the latest decision tree: <https://covid-19.sdcoe.net/Portals/covid-19/Documents/Health%20Practices/COVID-19-Decision-Tree.pdf?updated=100421>

We are working on revising our COVID Procedures document to include all of the changes, so you will not find that document on the website at this time. We have replaced it with the current decision tree. When we are done revising our Reformation document, we will send an update to you and place it back on the website.

## NEW YEAR RE-BOOT REQUESTS

### Pick Up Number Hang Tags

When you pick up your students after school, PLEASE be sure you display your pick up ID number in your vehicle. This is especially important for families of students in grades 1-8 picking up in the back parking lot. Sometimes it is difficult for our staff to see your friendly faces through the windows and sometimes we have other people helping out with identifying cars/parents picking up. Please help us out by displaying your number on your mirror or other prominent place. If you need a replacement hang tag, please request one from Sarah Rodrigues ([rodrigues@refsd.org](mailto:rodrigues@refsd.org)).

### Student Belongings

Please label your student's belongings with their name. This includes water bottles, lunch boxes and clothing items such as jackets and sweatshirts. It's easy to find washable labels online or at stores like Walmart. Please also encourage your student to bring everything home each day. We know you invest your money in all of their items, and labeling them will help your items not be lost forever. Also, our campus will look great without a variety of things laying around at the end of each day. Thank you!

## Update from Mr. Bohl's Classroom

The 7/8th grade class has been working hard learning all about the cells and genetics. We started by looking at how different species of Madagascar use their different traits for survival and reproduction. Next, we will be taking a look at the body and all its systems and how they work together. In History we are moving into young America. We recently looked at the Constitution and how that shapes American freedoms. The students are also getting excited for this weekend's basketball tournament. The 7/8th grade class will be working the concessions all weekend, come and visit us there! Today we were also visited by Professor Scharf from MLC, who stopped by and talked to our class about Martin Luther College!

## Sports Update
