Holy Week Worship Services – We invite you to join us for:

Good Friday Tenebrae Worship – Friday, April 15, 7:00pm

Good Friday is the solemn celebration of our Lord's suffering and death on the cross. The focus is on the fulfillment of God's promises in Jesus' death, which is the full payment for the sins of the world. While the service is solemn and serious, there is also a sense of restrained joy at the ultimate goodness of the day's events. Our service will focus on the fulfillment of God's promises in the death of Jesus Christ, which is the full payment for the world's sin, as part of a Tenebrae service ("Tenebrae" is Latin for "darkness"). Seven candles will be lit at the beginning of the service. After each reading, a candle is extinguished. After the final reading, the church is in darkness as we remember our Lord's death on the cross on Good Friday for our salvation.

Easter Festival Worship – Sunday, April 17, 8:00am & 10:30am

To the world, he seemed like a defeated man: opposed and killed by his enemies, with his followers scattered in fear. Yet three days after Jesus' death he rose victorious from the dead. Nothing would ever be the same. The rest of eternity is now a victory march for the risen Christ. During Easter, we should not think of ourselves as passive observers in Christ's victory. We are more than fans cheering for our favorite athlete! Rather, we are active participants in Christ's triumph. Just as his death was our death, so also his life is our life. Buried with Christ in baptism, our life is now hidden with him on high. That means the victory is ours, now and forever. So we do not merely watch from the sidelines as Christ marches in victory over sin, death, Satan, and hell—we join in the festal procession!

Join us this Easter Sunday (April 17) at 8:00AM or 10:30AM for uplifting worship as we together gather around Jesus' empty tomb to celebrate the victory: "Christ is risen. He is risen indeed. Alleluia!" This Easter season, discover the ways his victory gives you victory – for now and forever. Celebrate victory with us this Easter!

Vacation Bible School – July 25-29

Summer fun learning about Jesus' love, with a science-y twist!

PRINCIPAL'S MESSAGE

Easter is about/for real events

The most frequently used words in John's account of Easter morning are . . . "saw" or "looked" (John 20:1-20). Mary *saw* the stone rolled away. John *looked* into the tomb. Peter *saw* the strips laying there. Unlike many modern "testimonies," Mary didn't say, "I just felt God saying to me . . ." Peter didn't preach, "I just believe that Jesus was reaching out to me." No, these people gave their eye witness accounts of the events they *saw*. Because they didn't want another subjective story. They wanted objective history!

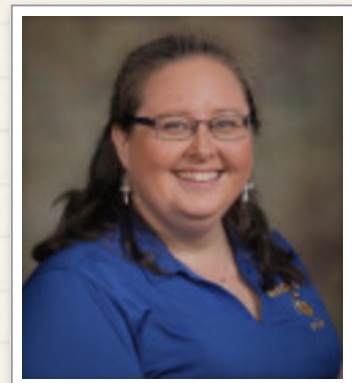

I love that detail from the first Easter morning. In a world of varied beliefs and religions, I crave something concrete, something rooted in the real events of real history. Don't you? Because a Jesus who is historically risen and literally alive is present for the real events that you will go through this week. The sleepless nights. The staff meetings. The visits to the ER. Everything. Christians never face anything alone, because Mary, John, and Peter reported the real event, which would alter every real event that followed.

Are you worried about an upcoming event in your life? Don't be. Jesus is no longer in some tomb. He is alive, well, and with you always, working out everything for the good of his church. Just ask Mary, John, and Peter.

Update from Miss Jen's Classroom

Greetings once more from the 3K Classroom! It has been a busy spring. We've been working hard helping our new friends get used to the classroom and school. Learning our letters is so much fun. We've just finished M for Missy Mouse and the sound she makes. Feel free to ask us about any of the letters and sounds we've learned so far! We also love to count. We've been working really hard to recognize all the numbers up to 13!

Have you heard of the color freeze game? It's one of our new favorites. Our teachers call out a color to find on the playground or in the classroom. We dance around while we find the special color on the objects all around us. Listening to songs, stories, and dances to help us learn our letters, numbers, colors, and shapes makes us happy!

Our really special time of the day is Jesus time where we learn that God loves us so much that he sent Jesus to die on the cross to wash away our sins and then He rose from the grave so we can go to heaven! We love singing praises to God. We'll be singing this Sunday for Easter at both services. Please come join us as we praise our Risen Lord!

The Chosen: A New Bible Study Starting April 20

Join us as we watch episodes from Season One of The Chosen. We will begin the class by watching an episode and then spending some time in discussion of the episode afterward. Class will be held in the sanctuary. This Bible study is open to all ages and starts Wednesday, April 20 from 6:00 - 7:30pm.

What is the Chosen?

The Chosen is a "multiseason series about the life of Christ" and the people who followed Him. It dramatizes the stories of Peter, Philip, John, James, and the other disciples, giving historical context and some fictional plotlines to paint a picture of what Jesus' ministry looked like in the lives of real people – the ones we read about in the gospels. The Chosen is not meant to replace God in our minds or hearts, but to present a visual aid to one's existing journey with the Lord. Join us as we watch and discuss together this ever-popular show on the life of Christ!
