PRINCIPAL'S MESSAGE

The Victorious Life (Easter is our Red Sea)

We like to remember the "good old days" when life was better, simpler, more wholesome. We long for those days again. But there are certain things we wish we could forget. And sometimes those things cast such a long shadow we think we cannot escape them and have no choice but to embrace them.

The Israelites' time as slaves in Egypt was not the good old days. Even after God had delivered them with a mighty hand through the Red Sea, they still couldn't shake their past. When the path to the promised land looked too difficult, they were ready to return to their former life of slavery.

However, God hadn't just put space between them and their former way of life. He had shattered it and rendered it powerless. In its place, he gave them a new life and a new identity. As God's chosen people, they had every reason to let go of their past, rejoice in their present, and hope in the future.

Easter is our Red Sea experience. It is the day that Jesus crossed over from death to life, shattering death and rendering the devil powerless. In its place, he gives us the gift of new life and a new identity. Through faith in Jesus, we are God's chosen people.

If the path to God's eternal promised land looks too difficult, too out of grasp, don't look back. Don't long for what once was. In Christ, good days do not lie behind us. Nor does our past define us. Jesus' resurrection means that every day is a new day, a new life, for you and me.

Vacation Bible School – July 25-29

Summer fun learning about Jesus' love, with a science-y twist!

Update from Miss Lynelle's Classroom

We are thrilled about celebrating Jesus' Resurrection. The Bible stories leading up to that are sobering yet full of promise. We completed Jesus's Resurrection and look forward to more stories on how God cares for us.

We recently reviewed our math and reading work with an Easter egg hunt. We found numbers, letters, and shapes inside of the egg and read them to our teachers. We have been learning about transportation, tigers, umbrella birds, and vampire bats this month. Besides learning of God's creation, besides taking care of the animals, we learn how to take care of ourselves. One way we do that is by learning to share our feelings: "I feel sad when you..." "Please wait, you can have a turn after me." "I like to do.... too." "Uh oh, I feel"

Our shape this month is the oval, our number this month is 9. We do a variety of activities from threading beads on yarn to using forks to paint to eating 9 crackers to hopping on the newest letter to affix the concepts.

The Chosen: A New Bible Study Wednesdays at 6:00pm

Join us as we watch episodes from Season One of The Chosen. We will begin the class by watching an episode and then spending some time in discussion of the episode afterward. Class will be held in the sanctuary. This Bible study is open to all ages and starts Wednesday, April 20 from 6:00 - 7:30pm.

What is the Chosen?

The Chosen is a "multiseason series about the life of Christ" and the people who followed Him. It dramatizes the stories of Peter, Philip, John, James, and the other disciples, giving historical context and some fictional plotlines to paint a picture of what Jesus' ministry looked like in the lives of real people – the ones we read about in the gospels. The Chosen is not meant to replace God in our minds or hearts, but to present a visual aid to one's existing journey with the Lord. Join us as we watch and discuss together this ever-popular show on the life of Christ!
