Summer fun learning about Jesus' love, with a science-y twist!

PRINCIPAL'S MESSAGE:

Take Refuge in Him

<https://timeofgrace.org/take-refuge-in-him/>

There are times when we want a safe place to go and let someone protect us. We wish someone would shoo people away when we're sick or feeling besieged. Perhaps we're preoccupied with bad news, and we'd like someone to take our problems and hang them on a hook so we could be free from the burden for a little while.

For David, the Lord himself was the ultimate place of refuge. David needed rest and *protection*. He asked the Lord to fulfill that role for him:

"Lord my God, I take refuge in you; save and deliver me from all who pursue me, or they will tear me apart like a lion and rip me to pieces with no one to rescue me" (Psalm 7:1,2).

What does this mean for us? Can we enter this refuge? Yes! We're part of God's family, already under his protection. Sometimes, though, we struggle to live as if this is the ultimate reality of our lives.

David wrote down his conversation with the Lord. He took time to articulate what it meant that the Lord was his refuge. We see that conversation worked out in many of the psalms. David asks that the Lord would rise up and protect him; vindicate him; and provide refreshment for his soul, rest for his body, and delight for his heart.

If you were to write a request to the Lord asking for refuge, what would you say?

Be assured that God's arms are already around you. He's eager to be your sanctuary.

COVID Reminders

Reformation is seeing an increase in students and staff who are "close contacts" to confirmed cases of COVID.

Please, if your child is sick and is exhibiting any symptoms, keep your child home.

If your child has been a close contact or has symptoms or has tested positive, please contact Mr. Ross at principal@refsd.org to discuss the procedures to safely staying in school or the length of isolation.

And while masks are no longer required at Reformation, they still are highly recommended and so students and parents have every right to still wear masks on campus.

Thank you for working with us to keep everyone here healthy, to the best of our ability!

PICTURES FROM THE RECENT 7/8 GRADE TRIP TO NORTHERN CALIFORNIA!

Update from Mr. Ash's Classroom

The students in grades 3-4 are enjoying the last few weeks of school. A few pictures show the students working on their social studies projects on the state of their choice from the Southwest and West regions. These projects will be the last of the reports that the students did on all of the states in the United States. They have enjoyed learning about many regions, and what makes them both unique in many ways, and yet alike in many ways too.

One picture shows the celebration for one of the students in the class. They enjoy spending time with each other, and birthday parties and treats are a wonderful way to support each other and celebrate another year in God's grace.

The final pictures show their favorite activity this time of year: kickball. The students show their skills on the field, and they enjoy the friendly competition with each other.

The class is looking forward to our final field trip of the school year to the San Diego Safari Park. The field trip will make many connections to the science topic they are learning, animals and how they use their senses to survive in their environment.

The Chosen: A New Bible Study Wednesdays at 6:00pm

Join us as we watch episodes from Season One of The Chosen. We will begin the class by watching an episode and then spending some time in discussion of the episode afterward. Class will be held in the sanctuary. This Bible study is open to all ages and starts Wednesday, April 20 from 6:00 - 7:30pm.

What is the Chosen?

The Chosen is a "multiseason series about the life of Christ" and the people who followed Him. It dramatizes the stories of Peter, Philip, John, James, and the other disciples, giving historical context and some fictional plotlines to paint a picture of what Jesus' ministry looked like in the lives of real people – the ones we read about in the gospels. The Chosen is not meant to replace God in our minds or hearts, but to present a visual aid to one's existing journey with the Lord. Join us as we watch and discuss together this ever-popular show on the life of Christ!
